

Write-on-Q 2021

Infinithéâtre's Annual Playwriting Competition

DEADLINE: SEPTEMBER 7th 2021

Send us your plays!

Québec playwrights and Indigenous writers from across North America are eligible to enter *Write-on-Q*.

- Submissions are now being accepted.
- The *Write-on-Q* jury will be announced late August.
- In mid-October, a short list of 5 - 10 plays will be announced.
- In mid-November, the *Write-on-Q* winner will be announced, and awarded with a cash prize of \$3000. Second and third place prizes may be awarded at the discretion of the jury.
- Digital copies of scripts are preferred; however, we will still be accepting hard copies.

Scripts must be:

1. Unproduced. That is, they should not have had a professional production. Plays that have only been workshopped and/or had public readings are eligible. Also eligible are plays that have been produced in only one Fringe Festival to date.
2. In English, bilingual, or multilingual. English must be a significant part of the language quotient. We recognize that "significant" is a subjective criterion and, should there be any doubt, we reserve the right to make the judgement call on the matter.

Please submit your script with CV and Cover Letter digitally as a PDF, or as a hard copy, no later than **September 7th, 2021**:
